cyber Safety Superheroes

INTEGRITY

1-2

EVEN YEAR LESSON 06 CYBER SAFETY SUPERHEROES

LEARNING FOCUS

There are a myriad of important cyber safety practices students should consistently apply to remain safe online. Children need to be focused, brave and selfless whilst protecting themselves and others by standing up for a strong moral code, much like a superhero!

In this lesson, students reflect upon some of the cyber safety practices they have explored so far and create a superhero to support them and their peers in remaining safe online.

LEARNING AREA OUTCOMES MET

Health & Physical Education

Digital Technologies

GENERAL CAPABILITY OUTCOMES MET

Critical & Creative Thinking

Ethical Understanding

Personal & Social

LEARNING INTENTION

We are learning to identify important cyber safety practices.

SUCCESS CRITERIA

I can design a superhero to display one important cyber safety practice.

LESSON SEQUENCE

TUNE THEM IN

Pose the following questions to the class:

- What is a superhero?
- What superheroes have you heard of?
- What special powers do they have?
- What characteristics are essential for a great superhero?

Focus on suggested responses:

- Superheroes are courageous or brave
- Superheroes are selfless, standing up for others and looking out for other people
- Superheroes remain focused on the given task
- Superheroes have a strong moral code
- Superheroes fight for good

Brainstorm some online superhero powers and guide students to create superhero names to match.

For example:

- **Kindness Queen:** sends positive messages and leaves kind comments for people
- **Privacy Dude:** makes sure people have strong, safe and secure passwords
- **Encryption Enchantress:** makes sure your systems are secure and safe
- **Malware Maven:** fights off scammers and hackers
- **The Blaster:** blasts away inappropriate pop-ups and reports them to a responsible adult

LET THEM LEARN

Students use the 'Cyber Safe Superhero' template to design their own super hero with cyber safe powers.

TAKE THEM FURTHER (OPTIONAL)

Students use the lines provided to write the name of their superhero and the details of their special cyber safe powers.

ROUND IT OUT

Display the Cyber Safe Superheroes in the school or classroom to share the messages about how to stay safe online.

ACTIVITY RESOURCES

- + 'Cyber Safe Superhero' template (1 copy per student)

cyber Safe Superhero

Hi, I'm...

My super power is

I WILL HELP

WORDS TO DESCRIBE ME
